

The logo features a central rectangular frame with a metallic, beveled border. Inside the frame, the text "VIP CAR" is on the top line and "CARE" is on the bottom line, both in a bold, serif font. The frame is set against a black background and is flanked by two large, stylized, metallic-looking shapes that resemble the front and rear of a car, with a central cutout. The entire logo has a 3D, metallic appearance with gradients of silver and grey.
